

MATERIAL SAFETY DATA SHEET

DATE OF ISSUE: May 2006

2 Pages

1. TRADE NAME: **AGMAX TEATSPRAY**

Manufacturer: Agmax Industries Limited
47 Allens Road, East Tamaki, Auckland
PO Box 259 310, Greenmount
Phone: (0508) 524-824 * Fax: (09) 271 5293

EMERGENCY INFORMATION: - Phone: (0508) 524-824

2. INFORMATION ON HAZARDOUS INGREDIENTS:

Chemical Nature: Contains 2.25G/L Chlorhexidine Gluconate.

UN No: 3082 DANGEROUS GOODS: CLASS 9
(Not Dangerous Goods for Transport Purposes at this Concentration).

3. POSSIBLE HAZARDS: Acute Health Hazard - CORROSIVE

Skin: Irritating to skin.
Eyes: Corrosive to eyes.
Inhaled: Vapour is irritating to upper respiratory tract.
Swallowed: Irritating to gastro-intestinal tract.

4. FIRST AID:

Skin: Immediately flush exposed skin and clothing with large amounts of water. Remove contaminated clothing, including footwear. Seek medical attention if irritation persists.

Eyes: Hold eyes open and wash continuously for 15 minutes under cold running water. Ensure irrigation under eyelids by occasionally lifting the upper and lower lids. Seek medical attention. Removal of contact lenses after eye injury should be done only by skilled personnel.

Inhaled: Remove patient to fresh air. Keep patient half sitting with upper body raised. Seek medical attention, if respiratory irritation develops.

Swallowed: DO NOT induce vomiting. If conscious, give water only if the patient is conscious to rinse mouth. Provide liquid slowly, but as much as patient will drink in small sips. Seek medical attention.

5. PRECAUTIONS FOR USE:

Eyes: Wear safety goggles or protective glasses while mixing.

Hands/Feet: Wear chemical resistant gloves while mixing.

Respiratory: Conduct mixing or decanting of the concentrated product in a well ventilated place.

General: Avoid direct contact with the product and its vapours. Wear protective clothing. Use adequate ventilation. Avoid smoking, eating or drinking during use. Do not mix this product with any other substance (except approved emollients and/or plain water).

6. SAFE HANDLING INFORMATION:

Containers: Use only the manufacturer's original containers.

Mixing: Not to be mixed with any other substance, except approved emollients and/or plain water.

Storage: Do not store with oxidizing agents.
KEEP OUT OF REACH OF CHILDREN.

Transport: Not dangerous goods at this concentration.

Spills: Clean up immediately. Avoid breathing strong vapours. Flush spill area with a large quantity of running water.

Fire: Not flammable, but heat may produce irritating vapours. Extinguishers safe to use on fire around product are water spray or fog, dry chemical powder, foam and carbon dioxide.

Explosion: Not applicable.
